Dear Mr. Ward:

Confirming my telephone conversation with you on September 2, 1980, this letter is to advise you of the status of NRC licensing action on the proposed Arizona Public Service Company Peterson Project application (Docket No. 40-8771).

A current heavy caseload prevents us from initiating the in-depth review of your project until mid-October. I expect that we will be able to complete our review within about 4 months of that time.

Sincerely,

A handwritten signature in cursive script that reads "J E Rothfleisch".
