Docket No. 50-29

Gentlemen:

Thank you for your letter informing us of the action you have taken or the program you intend to pursue in response to our letter of June 22, 1972, relating to "Wall Thicknesses of Nuclear Service Valves."

The results and corrective actions will be reviewed during subsequent inspections of your facility.

Your cooperation with us is appreciated.

Sincerely yours,

James P. O'Reilly  
Director
