RE: Freedom of Information Act Request

ATTENTION: Freedom of Information Officer

Under the provisions of the Freedom of Information Act, 5 U.S.C. 522, I am requesting access to any information relating to security guard contract procurements within your agency operations.

I am requesting this information on a "need to know basis" so that I may use it as a resource for compiling a Management Information System for our Protective Service Organization.

I am requesting this information and if there are any fees for searching for, or copying, the records I have requested, please bill me for payment.

If all or any part of this request is denied, please cite the specific exemption(s) which you think justifies your refusal to release the information, and inform me of the appeal procedures available to me under the law.

I would appreciate your handling this request as quickly as possible and I look forward to hearing from you within 10 days, as the law stipulates.

Sincerely,

Ms. Bonnie J. Irving
Communication/Contracts Manager
