RIV

Docket No. STN 50-482/Rpt. 81-04

Kansas Gas and Electric Company  
ATTN: Mr. Glenn L. Koester  
Vice President - Nuclear  
Post Office Box 208  
Wichita, Kansas 67201

Gentlemen:

This refers to the inspection conducted by Messrs. D. P. Tomlinson and L. E. Eilershaw of our staff during the period March 9-13, 1981, of activities authorized by NRC Construction Permit No. CPPR-147 for the Wolf Creek facility, Unit No. 1, and to the discussion of our findings with Mr. D. Prigel and other members of your staff during the inspection period.

Areas examined during the inspection and our findings are discussed in the enclosed inspection report. Within these areas, the inspection consisted of selective examination of procedures and representative records, interviews with personnel, and observations by the inspectors.

During this inspection, it was found that certain of your activities were not conducted in full compliance with NRC requirements. Consequently, you are required to respond to this matter, in writing, in accordance with the provisions of Section 2.201 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations. Your response should be based on the specifics contained in the Notice of Violation attached to this letter.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If the report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 25 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that the information is proprietary. The application should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
