Re: Freedom of Information Act Request

Dear Sirs:

This is a request for documents under the Freedom of Information Act, 5 USC 552. Please send to our group, in care of myself, copies of all concrete testing reports made on concrete poured for the containment buildings for Units I and II at Pennsylvania Power and Light's Susquehanna Steam Electric Station in the years 1974, 1975 and 1976.

Please send these documents within ten days.

We would ask that the copying fees be waived. These documents will be used to benefit the general public.

Sincerely,

Gerald R. Schultz, Esq.
