Richard Vokmer
Director of Division Engineering
Nuclear Regulatory Commission
Washington D.C.

Dear Mr. Vokmer:

I would appreciate if you would assist me in finding and obtaining the following information about Three Mile Island: Construction, Who designed the plant, Who are the major owners, builders and engineers, Regulations and requirements, Construction design problems, Engineering design problems, etc.

The purpose of this information, is I am currently enrolled in the beginning of an engineering degree and have to do a report on a major engineering design. the above information has been difficult for me to obtain and I therefore am asking for your assistance. I appreciate your cooperation and effort in this matter and await your response.

Respectfully yours,

Joseph G Heimbuecher
