Docket No. 50-111  
No. 50-297

Dear Mr. Miller:

This is to inform you of two organizational changes in the Nuclear Engineering Department at North Carolina State University. The position of Head of the Nuclear Engineering Department is now held by Dr. Paul J. Turinsky, and the position of Director of the Nuclear Reactor Program is now held by Dr. Robert G. Cockrell. Dr. Turinsky replaces Dr. Thomas S. Elleman, and Dr. Cockrell replaces James R. Bohannon, Jr. The Atlanta Region II office was advised of these changes several months ago by telephone.

We would appreciate it if you would see that the appropriate mailing lists are corrected.

Sincerely yours,

A handwritten signature in cursive script that reads "Robert G. Cockrell".
