Houston Lighting & Power Company
ATTN: Mr. G. W. Oprea, Jr.
Executive Vice President
Post Office Box 1700
Houston, Texas 77001

Gentlemen:

The staff functions of the Region IV, Inspection and Enforcement, were reassigned effective February 27, 1981. In the past, W. C. Seidle, Chief, Reactor Construction and Engineering Support Branch, has been our principal contact and recipient of correspondence relating to reactor construction activities. For the future, G. L. Madsen, Chief, Reactor Projects Branch, has been designated as the principal contact for the Region IV Office for matters relating to reactor construction and operation activities. Hence, Mr. Madsen should be the prime contact and recipient of correspondence for Region IV relating to your reactor facility activities. Responses to letters from the Regional Director or other Branch Chiefs in Region IV should be addressed to the author of the originating correspondence.

Should you have any questions regarding this matter, please call Mr. Madsen at (817) 334-2781.

Sincerely,

John T. Collins
Karl V. Seyffert
Director
