Meeting Summary:

Enforcement Management Meeting January 14, 1981 (Meeting Report No. 50-219/81-02)

An enforcement conference was held in NRC Region I with licensee's management to discuss the Physical Security Program in regard to several violations identified during a routine unannounced Physical Security Inspection 50-219/80-36, conducted on December 15-19, 1980.

Results: Discussed with the licensee was the causes of the violations, licensee's corrective measures, proposed actions to prevent recurrence and enforcement options available to the NRC. It was agreed that one of the violations would be re-inspected.
