NRC IE Bulletin 79-01B  
Docket No. 50-348

Mr. James P. O'Reilly  
U. S. Nuclear Regulatory Commission  
Region II, Suite 3100  
101 Marietta Street, N. W.  
Atlanta, Georgia 30303

Dear Mr. O'Reilly:

- References:
- 1) Alabama Power Company's Responses and Revised Responses to IEB 79-01B Dated April 4, 1980; July 30, 1980; October 30, 1980; November 12, 1980; and February 2, 1981
  - 2) Letter from F. L. Clayton, Jr. to J. P. O'Reilly Dated February 12, 1981 Concerning Westinghouse Proprietary Information

We have reviewed our responses to IEB 79-01B listed under Reference 1 and have identified the component evaluation worksheets containing information which is considered Westinghouse Proprietary, but submitted to the Nuclear Regulatory Commission as non-proprietary. These worksheets have been revised to delete this information and are enclosed. We request that you replace the affected sheets with the revised sheets in all copies on NRC internal distribution, in particular those copies maintained in the Public Document Room.

The Technical content of our response submittals and the commitments made by Alabama Power Company are not modified as a result of this action.

Mr. James P. O'Reilly  
U. S. Nuclear Regulatory Commission
