

April 8, 1981

Director of Nuclear Reactor Regulation
Attention: Mr. Thomas A. Ippolito, Chief
Operating Reactors Branch #2
U. S. Nuclear Regulatory Commission
Washington, D. C. 20555

Dear Mr. Ippolito:

Subject: Nine Mile Point Unit 1
Docket No. 50-220
DPR-63

In accordance with 10 CFR 50.54(p), enclosed for your information are five (5) copies of changes to the approved Nine Mile Point Unit 1 Security Plan. These changes have been reviewed by the Site Operations Review Committee and the Safety Review and Audit Board.

The specific changes are set forth in Attachment A. Supporting information, which demonstrates that the changes do not decrease the effectiveness of the Security Plan, is set forth in Attachment B.

As discussed with the staff of the Office of Material Safety and Safeguards, the changes enclosed remove the need for your review and approval of our Request for Exemption previously submitted. Therefore, it is requested you disregard our Request for Exemption submitted on October 29, 1980 and return the review fee of \$1,200.

Pursuant to Section 2.790 of the Commission's Rules of Practice and Part 9.5 of the Commission's Regulations, we hereby request that the material submitted with this letter be withheld from public disclosure.

Very truly yours,

NIAGARA MOHAWK POWER CORPORATION

Joseph J. Sunser
