Director of Nuclear Reactor Regulation
Attention: Mr. Darrell G. Eisenhut, Director
Division of Licensing
U.S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Eisenhut:

In the Matter of the Application of) Docket Nos. STN 50-566
Tennessee Valley Authority) 50-567

Enclosed for your information are six copies of TVA's March 1981 Socioeconomic Monitoring and Mitigation Report for the Yellow Creek Nuclear Plant. This report was prepared as required by the final environmental statement, Section 4.5.2.5, issued by the NRC in November 1977. Continuing information will be provided on a semiannual basis.

Very truly yours,

TENNESSEE VALLEY AUTHORITY
