In the Matter of
Texas Utilities Generating Company, et al.
(Comanche Peak Steam Electric Station, Units 1 and 2)
Docket Nos. 50-445 and 50-446

Dear Chairman Miller:

I have received your letter of June 23, 1981 to Marjorie Rothschild requesting information on the date of issuance of the Comanche Peak SER and seeking a copy of that document. Since Ms. Rothschild is currently on leave and will be absent from the office for several weeks, it is appropriate that I respond to your letter.

The SER for Comanche Peak has not yet been issued. It is scheduled for issuance on July 8, 1981. Upon issuance of the SER, the Staff will forward copies of the document to you, to the other Licensing Board members, and to the parties in the proceeding.

Sincerely,

Joseph R. Gray
