Gentlemen:

Subject: Aerial Survey of United Nuclear Facility Near Pawling, New York

Enclosed is a copy of an addendum to the Aerial Measuring System (AMS) report of the survey performed of the area surrounding the United Nuclear Facility near Pawling, New York in May 1980. The enclosed pages should be added at the end of your copy of the subject report which was sent to you by our letter dated September 25, 1980. In addition, on the page after the photograph, the first word in the last paragraph should be changed from "Preliminary" to "Subsequent".

Sincerely,

Robert J. Bores, Chief
Environmental and Special
Projects Section
