As you know, the amended Act provides that if some parts of a file are exempt from release that "reasonably segregable" portions shall be provided. I therefore request that, if you determine that some portions of the requested records are exempt, you provide me immediately with a copy of the remainder of the records. I, of course, reserve the right to appeal any such decision.

If you determine that some or all of the records are exempt from release, I would appreciate your advising me as to which exemptions you believe cover the material

which you are not releasing.

The amended Act permits you to reduce or waive any copying or location fees if that "is in the public interest because furnishing the information can be considered as primarily benefiting the public." My request is on behalf of the Black Hills Alliance, a duly incorporated non-profit environmental organization. The information we are requesting is to be used for educating the general public. I believe this request to be in the public interest and therefore ask that you waive any fees. Should you decide to assess any fees, I request the opportunity to submit additional information to substantiate a fee waiver.

As provided for in the amended Act, I will expect to receive a reply within 10 working days.

Sincerely,

Lili Jones
