MEMORANDUM FOR: John I. Riesland, I&E  
FROM: *Dudley Thompson*  
Dudley Thompson, Executive Officer for Operations Support  
SUBJECT: EXEMPTION TO 10 CFR 0.735-21

I have reviewed your Confidential Statement of Employment and Financial Interests (Form NRC-269) and note that you report, as a former employee of General Electric, a vested interest in their pension plan.

I order to allow you to work on matters involving General Electric an exemption from the provisions of 10 CFR 0.735-21 must be granted.

A review of the terms of the General Electric pension plan by the Office of General Counsel has revealed that as an NRC employee you cannot influence, in any fashion, the amount you receive as a pension from General Electric. Based upon this finding, I have determined that your interest in the General Electric pension plan is not so substantial as to be deemed likely to affect the integrity of your services to NRC and that no provision of law and no NRC regulation would appear to be violated by your participation in matters affecting General Electric.

Therefore, with the concurrence of the Office of General Counsel, you are hereby granted an exemption from the requirements of 10 CFR 0.735-21 and you may participate in matters before the NRC affecting General Electric.
