

OFFICE OF THE  
CHAIRMAN

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555

December 10, 1980

The Honorable Elmer B. Staats  
Comptroller General of the United States  
General Accounting Office  
Washington, D. C. 20548

Dear Mr. Staats:

We have reviewed the final GAO report "Electricity Planning -- Today's Improvements Can Alter Tomorrow's Investment Decisions."

The final report correctly interprets our comments on the draft report, Appendix II, p. 154 in the final report. The NRC continues to endorse this recommendation.

Sincerely,

John F. Ahearne  
Chairman
