ATTENTION: FREEDOM OF INFORMATION OFFICE

Dear Sir or Madam:

We would like to know if any studies have been made of alpha and beta radiation levels in subsurface water supplies. We are particularly concerned with their presence and effects in the Midwest, but research done in any state would be of interest.

We would also need directions for obtaining such studies or their summaries. We appreciate your assistance and thank you for your cooperation.

Sincerely,

Marc A. Hillier, P.E.  
Manager  
CAPITAL PROGRAMS UNIT
