MEMORANDUM FOR: Chris Lotze, PLA

FROM: Dennis M. Crutchfield, NRR

SUBJECT: PROVISION OF INFORMATION TO CONGRESS

We have asked each of the Divisions in NRR to provide the information requested in Mr. Gossick's March 3, 1978 memorandum.

Copies of their responses are included.

In general, the Congressional Committees should be asked what information they would like to routinely receive. This would prevent them from receiving excessive amounts of paper that they would not review.
