MEMORANDUM FOR: Robert Bosnak, Chief
Mechanical Engineering Branch
Division of Engineering

FROM: A. Schwencer, Chief
Licensing Branch No. 2
Division of Licensing

SUBJECT: MEB LICENSING REVIEW FOR COMANCHE PEAK SER

Your memorandum to me dated January 2, 1981, advised that you would submit the draft SER to Projects by January 19, 1981. We now understand that you are now projecting a January 30, 1981 date for that submittal.

This is to advise you that:

- 1) MEB is the only technical review branch with Second Round Questions and staff positions yet to be submitted to us and to the applicant.
- 2) We are scheduled to issue the SER prior to June 1, 1981 in order to meet with the ACRS in July.

In summary, time is running out for us and for the applicant if we are to meet our commitments for the SER issue date. We must have the draft SER input no later than January 30, 1981. Please cooperate with us in this matter.
