ATOMIC SAFETY AND LICENSING BOARD

Before Administrative Judges:
Andrew C. Goodhope, Chairman
Dr. A. Dixon Callihan
Dr. Richard F. Cole

In the Matter of:

BOSTON EDISON COMPANY ET AL.

(Pilgrim Nuclear Power Station,
Unit 2)

Docket No. 50-471

February 19, 1981

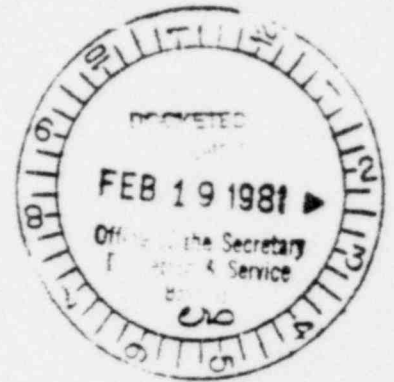

ORDER
(Requesting Advise on Future Hearings)

The Board requests that all parties advise the Board within ten (10) days of receipt of this order, as best they can, when they will be ready to proceed forward with the remaining hearings on emergency planning. The Staff is also requested to advise the Board on what TMI-2 related issues they feel should be the subject of future hearings. The remaining parties may reply to the Staff advise within ten (10) days of receipt of the Staff advise on TMI-2 issues. This is to permit the Board to schedule timely hearings for the completion of this matter.

IT IS SO ORDERED.
