IN RESPONSE REFER
TO FOIA-81-63

Dear Ms. Knowles:

This is in response to your letter dated February 12, 1981, in which you requested, pursuant to the Freedom of Information Act, the number of shipments; departure and arrival dates; routes taken; and the shipping companies used to transport yellowcake from the Ambrosia Lake Milling Facility near Grants, NM to the Gore Conversion Plant in Gore, OK during the period July through December 1980.

The attachment to this letter contains the information you requested with one exception. The Nuclear Regulatory Commission's regulations do not require advance notification or monitoring of shipments of yellowcake. Therefore, routing information is not available.

Sincerely,

for Frank H. Kara
J. M. Felton, Director
Division of Rules and Records
Office of Administration
