ACT REQUEST

FOIA-81-233
Rec'd 6-17-81
IN DRR

Mr. Edward C. Shomaker
Office of Executive Legal Director
Nuclear Regulatory Commission
Washington, DC 20555

Dear Mr. Shomaker;

Pursuant to the Freedom of Information Act (5 USC 552), I request access to all documents maintained by the Nuclear Regulatory Commission that contain information concerning the impact of the FOIA on the administration and the operation of the federal government. The scope of this request includes but is not limited to final reports and memoranda, statistical summaries, or any other data which may reflect on both the administrative and policy effects of the FOIA.

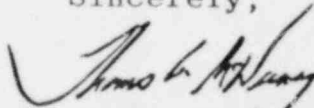

In addition, I request copies of the annual FOIA report prepared by the NRC for the years 1975 thru 1980.

If it is necessary to delete information for privacy considerations ((b)(6)) or pursuant to exemption (b)(5), I nonetheless seek access to all factual, nonexempt information.

I am currently engaged in doctoral research at Georgetown University and am attempting to examine the impact and assess the public benefit and the public interest of the FOIA. Inasmuch as this effort falls clearly within the intent of subsection (a)(4)(A) of the statute, I respectfully request that you waive any attendant search and duplication fees.

If I can, in any way, assist you in responding to this request, please notify me. My office phone number is 633-1054.

Sincerely,

Thomas G. McWeeney
