Dear Members of the Board and Parties:

Enclosed please find copies of the most recent drafts of the Lancaster County, Cumberland County and Lebanon County Radiological Emergency Response Plans. These plans are about to be submitted for review by the FEMA RAC.

We also intend to offer them as Board Exhibits during the week of May 14, 1981. Please be advised that the York County and Dauphin County draft Radiological Emergency Response Plans were submitted into evidence as Board Exhibits 5 and 6, respectively, during the joint testimony of FEMA and the County Coordinators on April 30, 1981.

Very truly yours,
