Gentlemen:

This refers to the management meeting held by Mr. K. V. Seyfrit and other members of our staff on November 3, 1980, in Wichita, Kansas. This meeting was held with you and other members of your staff for the regional evaluation of licensee performance.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If the report contains any information that you believe to be proprietary, it is necessary that you submit a written application to this office, within 20 days of the date of this letter, requesting that such information be withheld from public disclosure. The application must include a full statement of the reasons why it is claimed that the information is proprietary. The application should be prepared so that any proprietary information identified is contained in an enclosure to the application, since the application without the enclosure will also be placed in the Public Document Room. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.

Should you have any questions concerning this report, we will be pleased to discuss them with you.

Sincerely,

W. C. Seidle
for W. C. Seidle, Chief
Reactor Construction and
Engineering Support Branch
