RE: License No. 22-02396-03, Request for Amendment

Dear Sir:

We have enclosed a check in the amount of \$120.00 to facilitate the processing of an Amendment to the St. Mary's Medical Center Nuclear Regulatory Commission License (22-02396-03). The change request would add Dr. Douglas J. Lane as a user under item 12 of our Materials License.

Dr. Douglas Lane has previously been listed as a user on the St. Francis Medical Center of LaCrosse, Wisconsin Nuclear Regulatory Commission License. St. Francis Medical Center is located at 700 West South, LaCrosse, WI 54601. We understand that all preceptor documentation is on file in your office attendant to the documentation needed to be added to the St. Francis Medical Center NRC License.

If you have any questions in regard to the above change, please contact me further.

Sincerely,

Mark J. Huber
Vice President for Professional Services
