RE: Lamro, Inc. amendment to License No. 40-26848-01

Dear Sirs:

Please find enclosed the \$60.00 fee for the request of amendment to our license for the change of address as follows:

Previous Physical Address:
629 Quincy Street
Rapid City, SD 57701
(Storage of device only)

New Physical Address:
4447 South Canyon Road
Suite #1, Plaza West
Rapid City, SD 57702
(Storage of device only)

The gage is kept at the South Canyon Road location in an locked compartment. A rough drawing is enclosed as to the location within the office that the device is kept. The gage has not been in use for approximately one and one-half years.

Lamro, Inc. is in the process of trying to sell the gage to Davis-Atkins & Associates, Rapid City. These negotiations thus far have been to determine interest.

I hope that the above information is sufficient for your needs to amend our license and of our future plans for the gage. If we can supply you with any further information please feel free to contact this office.

Sincerely,

Charles Colombe
President
