Docket No. 70-1308

MOTION OF GENERAL ELECTRIC FOR LEAVE
TO FILE A REPLY REGARDING GENERAL
ELECTRIC'S MOTION FOR SANCTIONS AGAINST
ROREM

Now comes General Electric Company ("General Electric") and respectfully moves this Atomic Safety and Licensing Board for leave, pursuant to 10 C.F.R. §2.730(c), to file instanter a reply regarding its Motion for Sanctions against Rorem, et al. ("Rorem"). General Electric filed its Motion for Sanctions on October 9, 1980; Rorem responded on October 24, 1980. The ground for this Motion For Leave to File a Reply is that General Electric feels compelled to reply to the inaccurate statements and implications contained in Rorem's response. In support of this motion, General Electric attaches the reply it seeks leave to file.

Respectfully submitted,
GENERAL ELECTRIC COMPANY
