License No. DPR-3  
Inspection No. 75-14  
Docket No. 50-29

Gentlemen:

This refers to the inspection conducted by Mr. T. Martin of this office on October 22-24, 28-31, and November 4-7, 1975 at Yankee Rowe Station, Rowe, Massachusetts of activities authorized by NRC License No. DPR-3 and to the discussions of our findings held by Mr. T. Martin with Mr. Autoio of your staff at the conclusion of the inspection.

Areas examined during this inspection are described in the Office of Inspection and Enforcement Inspection Report which is enclosed with this letter. Within these areas, the inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector.

Within the scope of this inspection, no items of noncompliance were observed.

In accordance with Section 2.790 of the NRC's "Rules of Practice", Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed inspection report will be placed in the NRC's Public Document Room. If this report contains any information that you (or your contractor) believe to be proprietary, it is necessary that you make a written application within 20 days to this office to withhold such information from public disclosure. Any such application must include a full statement of the reasons on the basis of which it is claimed that the information is proprietary, and should be prepared so that proprietary information identified in the application is contained in a separate part of the document. If we do not hear from you in this regard within the specified period, the report will be placed in the Public Document Room.
