IN RESPONSE REFER
TO FOIA-80-568

Dear Mr. Grossman:

This is in response to your letter dated November 18, 1980, in which you requested, pursuant to the Freedom of Information Act, a copy of the spent nuclear fuel transportation route from Brookhaven National Laboratory through New York City and the proposed route off Long Island.

The NRC cannot locate any records subject to your request.

Since Brookhaven National Laboratory is not an NRC-licensed facility, you may wish to contact Mr. Milton Jordan, Director, Division of FOI&PA Activities, Department of Energy, Washington, DC 20585.

Sincerely,

J. M. Felton, Director
Division of Rules and Records
Office of Administration
