Mr. Harold Denton
Director of Nuclear Reactor Regulation
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

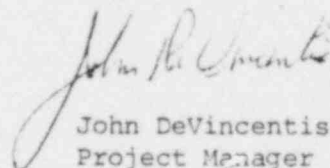

Dear Sir:

Code Case Authorization
Docket Nos. 50-443 and 50-444

We request authorization to use the following case not covered in
Regulatory Guides 1.84 and 1.85.

Code Case N-279 "Use of Torquing as a Locking Device for Section
III, Division I, Class 1, 2 and 3 and MC Component Supports."

Very truly yours,

John DeVincentis
Project Manager
