Docket No. 50-255
Docket No. 50-155

Gentlemen:

This confirms the telephone conversation between you and Mr. Jack Hind and Mr. Gaston Fiorelli of my staff that a meeting will be held between NRC (Region III) and Consumers Power Company representatives in our Glen Ellyn, Illinois office on March 11, 1976. The meeting, requested by Region III, is to discuss the results of the physical security inspection conducted at the Palisades Plant on February 27-28, 1976 and reactor operating matters at the Big Rock Point and Palisades Plants.

Sincerely yours,

James G. Keppler
Regional Director
