Director of Nuclear Reactor Regulation
US Nuclear Regulatory Commission
Washington, DC 20555

DOCKET 50-155, LICENSE DPR-6
BIG ROCK POINT PLANT

By letter dated April 28, 1976, Consumers Power Company was requested to provide the date on which the next 40-month Inservice Inspection Interval commences at the Big Rock Point Plant. In addition, we were requested to provide the date which we intend to submit any necessary amendments to our Technical Specifications due to changing code requirements. The purpose of this letter is to provide the requested information.

The next 40-month Inservice Inspection Interval commences September 1, 1978. We will submit any necessary amendments to the Big Rock Point Technical Specifications approximately six months prior to that date.
