Gentlemen,

Subject: Purchase Order IAEA 81CL-1054

Please find attached subject purchase order.

It is kindly requested that the shipment be forwarded by air addressed as follows:

Mr. A. Kocian
Head, Procurement Services
International Atomic Energy Agency
Vienna International Centre (VIC)
P. O. Box 100
A-1400 Vienna, Austria.

Please note that no insurance is required.

In reply to your telex dated December 11, 1980 we like to inform you that the International Atomic Energy Agency is extra-territorial. If required, you have to make the normal application for an export license with the US Department of Commerce stating that the IAEA is an organization belonging to the United Nations.

The neutron sources will be used at the Headquarters of the IAEA in Vienna. They will definitely not be sold to a third party. It might be added that, should any question arise, the US Embassy in Vienna will be very willing to reply.

Yours truly,

A. Kocian
Head, Procurement Services
