Consumers Power Company  
ATTN: R. B. Sewell  
Nuclear Licensing Administrator  
212 West Michigan Avenue  
Jackson, Michigan 49201

Gentlemen:

We have reviewed the Security Plan for the Big Rock and Palisades Plants as revised by the attachment to your letter dated November 10, 1975, and supplemental letter dated November 19, 1975. We find that the revised plan does not decrease the effectiveness of the Security Plans for the individual facilities as approved by our letters to you dated August 19, and September 6, 1974, and is therefore acceptable.

The approved security plan now consists of proprietary documents, collectively known as the Nuclear Power Plant Security Plan for Big Rock and Palisades, as follows:

- Revised Plan, revised July 16, 1975
- Attachment to CPCo. letter to NRC dated November 10, 1975
- CPCo. letter to NRC dated November 19, 1975

Sincerely,

Original signed by:  
Robert A. Purple
