Docket No. 50-155

Gentlemen:

Thank you for your letter dated November 20, 1973, informing us of the steps you have taken to correct those matters brought to your attention in our letter dated October 29, 1973. We will examine your corrective actions during subsequent inspections.

With regard to the assignment of severity Category II to this violation, this determination was made based on our consideration of the potential safety significance of the problem. We do not consider this classification to be inconsistent with definitions provided in Mr. Kruesi's letter of June 5, 1973.

Should you have any questions concerning this matter, we will be pleased to discuss them further with you.

Sincerely yours,

James G. Keppler
Regional Director
