GENERAL COUNSEL

March 26, 1964

Mr. Robert Lowenstein, Director
Division of Licensing and Regulation
United States Atomic Energy Commission
Washington, D. C.

Dear Bob:

When Bob Kettner and I were in your office yesterday, it came as a surprise to Howard Shapar that Michigan's Lower Peninsula enjoys winter skiing. Accordingly, I am enclosing a brochure which the Company has issued with respect to winter sports.

Inasmuch as you may be interested in other aspects of Michigan and our Company, I am enclosing a copy of the most recent annual report to stockholders which was issued earlier this month.

See separate file

Sincerely,

Howard
