Attention: Mr. James P. O'Reilly

Gentlemen:

The following is submitted in response to your letter dated November 5, 1980 concerning I.E. Bulletin 80-21.

Georgia Power Company does not have any active valves in safety related systems with valve parts cast by Malcom Foundry Company, Inc.

It is estimated that 27 hours were used for the review of design and preparation of this report. No manpower will be required for corrective actions.

Very truly yours,

Doug Dutton
Project General Manager
