Docket Nos. 50-445
50-446

COMANCHE PEAK STEAM ELECTRIC STATION
PULL-OUT PERFORMANCE OF HILTI KWIK-BOLT ANCHORS
FILE NO: 10110

Dear Mr. Seidle:

On December 17, 1980 we verbally informed your Mr. R. G. Taylor of a change in published values of the ultimate pull-out performance of one inch diameter HILTI Kwik-Bolt anchors.

We are continuing our evaluation and should be in a position to provide a status report by September 1, 1981.

Very truly yours,

R. J. Gary
