FREEDOM OF INFORMATION
ACT REQUEST

FOIA-80-619
REC'd 12-15-80

To the FOI Officer:

This request is made under the federal Freedom of Information Act, 5 U.S.C. 552.

Please send me copies of extracts of the Reed Report listing the 27 safety-related issues as identified by General Electric. These extracts were submitted to the NRC in connection with the Black Fox hearing.

As you know, the FOI Act provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all nonexempt portions of the records which I have requested, and ask that you justify any deletions by reference to specific exemptions of the FOI Act. I reserve the right to appeal your decision to withhold any materials.

I promise to pay reasonable search and duplication fees in connection with this request. However, if you estimate that the total fees will exceed \$25.00 please notify me so that I may authorize expenditure of a greater amount.

As I am making this request in the capacity of a journalist and this information is of timely value, I will appreciate your communicating with me by telephone, rather than by mail, if you have any questions regarding this request. Thank you for your assistance, and I will look forward to receiving your reply within 10 business days, as required by law.

Very truly yours,

Carlos Byars
