Consumers Power Company
ATTN: Mr. R. B. DeWitt, Manager of
Nuclear Plant Operations
212 West Michigan Avenue
Jackson, Michigan 49201

Docket No. 50-155

Gentlemen:

This refers to the inspection conducted by Mr. Hunter of this office on September 22-26, 1975, of activities at Big Rock Point Nuclear Plant authorized by Reactor Operating License No. DPR-6 and to the discussion of our findings with Mr. Hartman and others of your staff at the conclusion of the inspection.

A copy of our report of this inspection is enclosed and identifies the areas examined during the inspection. Within these areas, the inspection consisted of a selective examination of procedures and representative records, interviews with plant personnel, and observations by the inspector.

During this inspection, it was found that certain of your activities appear to be in noncompliance with NRC requirements. The item and reference to the pertinent requirements are listed under Enforcement Action in the Summary of Findings section of the enclosed inspection report.

Another infraction identified through your internal audit program which was reported in a timely manner and corrected is set out under Noncompliance Identified and Corrected by the Licensee in the Summary of Findings section of the attached inspection report. No additional information is needed for this item at this time.

810/220418

OCT 28 1975

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this notice, the enclosed inspection report, and your response to this notice will be placed in the NRC's Public Document Room. If this report contains any information that you or your contractors believe to be proprietary, it is necessary that you make a written application to this office, within twenty days of your receipt of this notice, to withhold such information from public disclosure. Any such application must include a full statement of the reasons for which it is claimed that the information is proprietary, and should be prepared so the proprietary information identified in the application is contained in a separate part of the document. Unless we receive an application to withhold information or are otherwise contacted within the specified time period, the written material identified in this paragraph will be placed in the Public Document Room.

Should you have any questions concerning this inspection, we will be glad to discuss them with you.

Sincerely yours,

E. L. Jordan
Acting Branch Chief
Reactor Operations Branch
