Docket No. 50-155

Dear Mr. Stekete:

This refers to your letter of June 5, 1973, addressed to the AEC Director of Licensing requesting documents and information from the AEC.

I am having the information assembled and will transmit it to you. It will take some time to furnish you a complete docket sheet as this will need to be assembled. There is not a local docket room for the Big Rock facility in Michigan.

As you are aware, the AEC is represented by counsel of record in both the administrative proceeding and the court suit. I think it would be appropriate, and I shall appreciate, your making requests for information from the AEC through its counsel. This will also serve to expedite your requests and make for a more orderly proceeding.

Sincerely,

Charles A. Barth
