MEMORANDUM FOR: Chairman Ahearne
Commissioner Gilinsky
Commissioner Hendrie
Commissioner Bradford

FROM: William J. Dircks, Acting Executive Director for Operations

SUBJECT: EDO REPORT, WEEK ENDING AUGUST 22, 1980

1. License Issued to North Anna

North Anna's license was signed by Harold Denton on Thursday, August 22, 1980.

2. Presidential Nuclear Safety Oversight Committee

EDO was invited to testify before this Committee on September 17, 1980, concerning the Budget as it affects the Action Plan and related activities. Staff responded that current Commission policy was to not discuss Budget in open meetings. The Oversight Committee staff are pursuing the matter further with OMB.

3. Interim Consolidation - GAO

GAO met with the EDO on August 19, 1980, concerning GAO's report to Congress on space consolidation. A copy of the draft report was provided to the Commission. Staff expects a final draft from GAO by August 29, 1980.

4. SES Appraisal System

The SES appraisal system for FY 1980 is moving along satisfactorily. The Performance Review Board will meet in early September and will be prepared to address the ratings with the Commission about the week of September 22, 1980. The start of the next rating period has been delayed until October 1, 1980.
