United States Atomic Energy Commission
Washington, DC 20545

Re: Docket 50-155

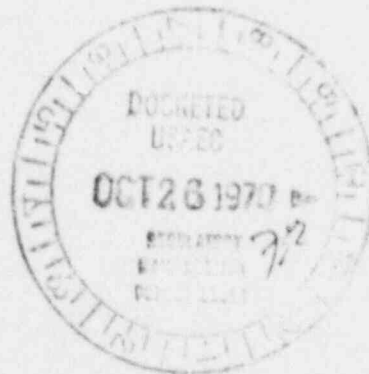

Dear Dr. Morris:

Enclosed are 20 copies of an Errata to the "Addendum to Eighth, Ninth and Tenth Reports of Operation of Big Rock Point Nuclear Plant." This Errata is submitted to correct the total radioactive materials of activation and fission gases reported discharged during the eighth and ninth semiannual report periods.

Yours very truly,

Robert L. Haueter
Electric Production
Superintendent - Nuclear
