

ATT: DOCKETING+SERVICE BRANCH

12/5/80
DOCKET NUMBER PR-50, 32, 70, 150
PROPOSED RULE (45 FR 70874)
~~SMELTED ALLOYS~~

TO WHOM IT MAY CONCERN:

000450

THE PROPOSAL TO ABOLISH LICENSING PROCEDURES
FOR CONTAMINATED SMELTED ALLOYS IS RIDICULOUS.
THERE IS NO WAY TO ACCURATELY DETERMINE
THE HEALTH EFFECTS OF THIS AMENDMENT.
I WISH YOU WOULD START DOING YOUR JOB —
REGULATING THE NUCLEAR INDUSTRY RATHER THAN
BENIGNLY APPROVING NEW MEASURES THAT PUT
PEOPLE'S LIVES IN DANGER.

PLEASE RESPOND
REGARDING THIS ISSUE —

~~THE~~ CONCERNED FOR
ALL OUR LIVES,

JOSH HOROWITZ
796 E. 19 ST.
