EMERGENCY PLAN

GENTLEMEN:

As required by 10 CFR 50.54(S)(2), Georgia Power Company must implement by April 1, 1981, an Emergency Plan which will provide reasonable assurance that appropriate protective measures can and will be taken in the event of a radiological emergency. Georgia Power Company has prepared an Emergency Plan using the standards of 10 CFR 50.47(b) and the requirements of 10 CFR 50 Appendix E as guidance.

Accordingly as required by 10 CFR 50.54(U), Georgia Power Company hereby submits 10 copies of the Emergency Plan which except for the section on prompt notification, we plan to implement by April 1, 1981. The prompt notification section will be implemented by July 1, 1981.

Very truly yours,

W. A. Widner
