Consumers Power Company  
ATTN: Mr. R. B. DeWitt  
Manager of Nuclear  
Plant Operations  
212 West Michigan Avenue  
Jackson, MI 49201

Gentlemen:

This refers to the investigation conducted by Messrs. J. E. Foster and K. R. Baker of this office of the activities at Palisades Nuclear Generating Plant and Big Rock Point Nuclear Plant authorized by Licenses No. DPR-20 and No. DPR-6. This investigation concerned allegations concerning quality control, design, and radiation protection procedures at several facilities, including those of your company.

The enclosed copy of our investigation report identifies areas examined during the investigation. Within these areas, the investigation consisted of a selective examination of procedures and representative records, and interviews with personnel.

No items of noncompliance with NRC requirements were identified during the course of this investigation.

In accordance with Section 2.790 of the NRC's "Rules of Practice," Part 2, Title 10, Code of Federal Regulations, a copy of this letter and the enclosed investigation report will be placed in the NRC's Public Document Room, except as follows. If this report contains information that you or your contractors believe to be proprietary, you must apply in writing to this office, within twenty days of your receipt of this letter, to withhold such information from public disclosure. The application must include a full statement of the reasons for which the information is considered proprietary, and should be prepared so that proprietary information identified in the application is contained in an enclosure to the application.
