

DOCKET NUMBER FR-10, 32, 70, 150
PROPOSED RULE (43 FR 70874)
SMELTED ALLOYS

Secretary of the Commission
United States Nuclear Regulatory Commission
Washington, D.C. 20555
attn.: Docketing and Service Branch

Dear Sir:

I urge you to retain the regulations prohibiting possession, use, and transfer of low-enriched uranium as a contaminant in metals. All radiation is dangerous, and I will not tolerate products made from this radioactive scrap metal to be used in daily life.

Please respond to me on this matter.

Yours,

Harold G. Pritchard
