

DOCKET NUMBER: 72-00, 32, 70, 150
PROPOSED RULE (48 FR 70874)
SMELTED ALLOYS

002681

Dear Mr. Secretary,

I oppose the proposed amendments to parts 30, 32, 70 and 150 of the NRC's regulations. These amendments would return radioactive scrap metal to the market as uncontrolled metal. We would be exposed to radiation in our everyday lives; our children would risk playing with radioactive toys. That is a risk which we cannot afford.
