DOCKET NUMBER PR-30, 32, 70, 130
PROPOSED RULE (45 FR 70874)
SMELTED ALLOYS

To Whom it May Concern:

I have just learned of your plan
to put "decontaminated" radioactive
metals into everyday consumer products.
This is an unrealistic proposition. There
is no such thing as decontaminated
waste. I urge you to abandon
this bizarre idea - radioactivity, even in
small doses is dangerous.
